

Safeguarding

Due to the sunny weather, please would you send your child to school with a hat and sun cream, in order to protect them from the sun.

It is also very important that the children have plenty to drink during the warm weather. Bottles of water are on sale in the playground every morning for 30p.

Behaviour							
We expect high standards of behaviour from all our pupils and we are working hard to ensure children are being safe, responsible and respectful learners at all times.							
609/610							
children behaved safely, responsibly and respectfully last week							
Behaviour has been very good last week with just a few minor incidents that have been resolved.							
FS1	FS2	Y1	Y2	Y3	Y4	Y5	Y6
65/65	55/55	73/73	67/67	84/84	97/97	82/82	86/87

Whole School Attendance					
FS1 95.20 %	FS2 93.41%	Week ending 16.6.17 – 96.55%		Y3 97.35%	Y4 97.93%
Y1 97.51%	Y2 96.42%	From September 2016 – 95.59%		Y5 96.95%	Y6 95.29%
2016/2017 Target – 96% ★ Star Year Group – Year 4 ★					

Whetley Academy's Attendance Policy clearly states we do not authorise any holidays in term time, this includes visiting relatives abroad, and a fining system is in place. Please read our policy in full on the website before considering booking holidays. If you choose to take your child out of school during term time it will have a negative impact on their learning.

CLUBS

Monday – Dance & Drama Y3-6
& Sports Club Y3 & 4

FS1

We have been reading a new story, The Train Ride. We have been building and making trains and tunnels and role played the story. We have continued to role play pirates and make pirate ships. In maths we are recognising numerals to 5.

FS2

In Reception we have started reading 'The Rainbow Fish'. We have been thinking of lots of wonderful adjectives to describe Rainbow Fish and using these in our writing. In the outdoor area we have been making the most of the lovely weather and investigating how water travels using stands and drainpipes.

Y1

In English we been looking at our new story 'Sneakers the Seaside Cat'. We have also been learning about different creatures that live in the sea. We have learnt many interesting facts about them.

Y2

Year 2 have continued to up level and edit their work to continue to improve their writing.

Y3

Year 3 are moving onto descriptive writing in their English lessons. We will focus on Literacy Shed's 'The Dream Giver' and then create our own dreams to write about. Hopefully we see lots of detailed description!

Y4

This week, we have looked at rounding decimals in numeracy and also improving our arithmetic with every day practice. In literacy, we have started to look at explanation texts and what features they have, while still continuing to read Charlie and the Chocolate Factory.

Y6

Last week Year 6, worked in groups to design and build structures using only scissor, paper and Cellotape. Their challenge was to create the strongest structure possible, whether it was a bridge across tables or a container to hold crisps. Of course the most fun part was the test.

Y6 ONLINE SAFETY TALK

Y5

Year 5 have been continuing in their topic of space and have been doing various reading comprehension tasks on planets, space and our solar system. Showing the student's a variety of different texts (fiction and nonfiction) is a really useful way to develop their reading skills as well as their knowledge of a subject. We would encourage you to read different types of books with your children at home as this will have a huge impact as they look towards entering Year 6.
