

Safeguarding

After the summer holidays, the new main entrance will be open. This is located at the front of school and will provide a much easier access for parents and visitors and further improve the safety of our children.

Behaviour							
We expect high standards of behaviour from all our pupils and we are working hard to ensure children are being safe, responsible and respectful learners at all times.							
599/608							
children behaved safely, responsibly and respectfully last week							
Behaviour has been very good last week with just a few minor incidents that have been resolved.

64/64	54/54	73/73	64/67	80/84	96/97	81/82	87/87

Whole School Attendance	
Week ending 23.6.17 – 95.33%	
From September 2016 – 95.58%	
2016/2017 Target – 96%	
★ Star Year Group – Year 4 ★	
FS1 95.05 %	FS2 94.53 %
Y1 95.48%	Y2 90.15%
Y3 96.27%	Y4 97.72%
Y5 95.24%	Y6 95.86%

Whetley Academy's Attendance Policy clearly states we do not authorise any holidays in term time, this includes visiting relatives abroad, and a fining system is in place. Please read our policy in full on the website before considering booking holidays. If you choose to take your child out of school during term time it will have a negative impact on their learning.

FS1

The nursery have planned a 'Toddle Waddle' sports event for 19th July- 10am for morning children and 1.30pm for afternoon children. We will be having it on the field and parents are invited to attend

FS2

In Reception we have been learning about halving. We have been halving snack, shapes and working out how to half of a number of objects. We are carrying on learning our silver rainbow words, well done to all the children that have been practising at home!

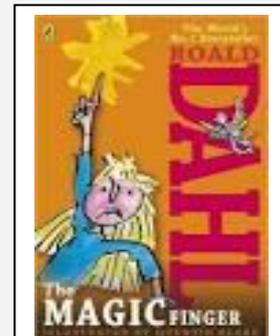

Y1

Last week the children were inventing their own stories in English. In Maths we have been finding quarters practically, and using this to solve word problems.

Y2

The children have been Reading and Writing about The Magic Finger, they have also been making a class book for their new class teacher.

Y3

Year 3 recently visited the Science and Media Museum for some Science workshops. We learnt how light is reflected and how sound travels. The children loved the experience and enjoyed the investigations they carried out.

Y4

Last week in year 4 we have been working hard in our assessments. Please see your child's class teacher if you would like to know their results. As well as this we have been looking at multiplying decimals by 10, 100 and 1000. In English we have been looking at slow writing and how it can improve our writing

Y5

Year 5 were lucky enough to go on a visit to the National Media Museum this week. We watched a 3D movie in the IMAX and also had a chance to look around the new 'Wonderlab' exhibition. The children were really well behaved and learnt lots of new things about science. Everyone really enjoyed themselves!

Y6

Last week Year 6 were using their creative skills to sketch and draw people and still life objects. They have also been building structures from straws and even learning how to write a computer program.

6W had a final push with their writing last week, producing some outstanding pieces of narrative and non-fiction writing. There has also been some great creative work going on with some fantastic feats of engineering appearing in the classrooms!
