

Safeguarding

We are delighted that our Year 6 have recently had training in Online Bullying and Road Safety and in order to help safeguard our pupils, 50 members of staff have recently completed a 2 day First Aid course.

	<u>Behaviour</u>						
	We expect high standards of behaviour from all our pupils and we are working hard to ensure children are being safe, responsible and respectful learners at all times.						
	607/607						
	children behaved safely, responsibly and respectfully last week						
	Behaviour has been very good last week with just a few minor incidents that have been resolved.						
FS1	FS2	Y1	Y2	Y3	Y4	Y5	Y6
64/64	54/54	73/73	66/66	85/85	97/97	82/82	86/86

Don't forget School is open at 8.30am for all pupils. That is an extra 1 hour 40 minutes learning per week!

Whole School Attendance
From September 2016 – 95.43%
2016/2017 Target – 96%
Star Year Group – Year FS2

Early Birds
 Breakfast Club starts at 7.45am every day. It is Free for all children and families. Please come along and join us.

Whetley Academy's Attendance Policy clearly states we do not authorise any holidays in term time, this includes visiting relatives abroad, and a fining system is in place. Please read our policy in full on the website before considering booking holidays. If you choose to take your child out of school during term time it will have a negative impact on their learning.

 July 20th – Star Achievers Assemblies

FS1

The nursery children have been busy making cheese sandwiches- learning and developing key skills. We have practised our fine motor skills because we had to spread and cut using a knife. We developed our listening and understanding because we had to listen and follow instructions and we developed our social skills because we were working together. We also enjoyed some dancing and games for our Eid party.

FS2

How quickly this year is going! The children made their first visit to Year 1, they went to their new classrooms with their new teachers for an English lesson. They will be visiting every Tuesday morning so that they become familiar with their new classrooms and staff and feel more at ease in September. They had a great lesson and came back very excited and full of tales of what they had done.

Y2

Year 2 have been working on **division with remainders**. We have been explaining our working out to our classmates. Have a go at home by choosing a double digit from the board and dividing it by a single digit. If you have a child in Year 2 please ask them to show you how it's done.

16	9	24	7	11
6	18	50	28	30
12	36	5	2	14
4	45	10	40	27

Y1

In English the children have been working on inventing their own stories. They have invented some interesting and imaginative stories.

Y3

We went to the Nation Media Museum on the 15th of June. We explored all things Science, light, energy, experiments and even got to play in the games room.

Y4

In Year 4 last week we were writing a story about entering a magical chocolate room in Roald Dahl's Charlie and the Chocolate Factory. The children have really enjoyed this writing and it is their best piece by far because of the level of detail and description they are using. Well done Year 4!

Y5

Last week in year 5 we had a fantastic Oracy session. All Year 5 students were in the hall and took part in small group discussions about various topics including, "It is easier to talk well than it is to write well." The children had some excellent discussions, we would love it for you to have a go at this at home.

Y6

Year 6 continue to enjoy their last few weeks at Whetley Academy. Last week they all went to Lister park and had a great day, even the teachers had an amazing time. Then on Wednesday they all spent a day at their new Secondary School's. They have all come back feeling very happy and positive ready to start in September.
