### Learning Outside the Classroom/Offsite Visits Health and Safety Policy Guidelines

#### RATIONALE

Safely managed educational visits with a clear purpose are an indispensable part of a broad and balanced curriculum and a vibrant part of Whetley Academy as a successful academy. They are an opportunity to extend pupils' learning and enrich their appreciation and understanding of themselves, others and the world around them. They can be the catalyst for improved academic performance, a lifetime interest or in some cases professional fulfilment. They are to be encouraged.

#### PURPOSE

1. To ensure that every pupil has the opportunity to benefit from education visits.
2. To ensure all visits are safe, purposeful and appropriate to meet educational needs of pupils taking part.
3. To enable the school to identify appropriate functions, responsibilities, training, support and monitoring for all AAB members, Principals, staff, helpers, pupils and providers involved in education visits.
4. To comply with SPTA 'Policy for the Management of Learning Outside the Classroom / Offsite Visits and Activities'; use "Offsite Visits-Operational Procedures" and keep up to date with further advice.
5. To meet DfES guidelines (1998) entitled 'Health & Safety of Pupils on Education Visits' (HASPEV); DfES 3 part supplement any guidance published July 2002 and DfE Health and Safety 2011 Guidance.
6. To ensure where appropriate further advice is sought from SPTA and other technically competent personnel.

#### BROAD GUIDELINES

Key Point – These guidelines can be captured simply in four words:

PLAN – DO – REVIEW – RECORD

#### APPROVAL

All visits are linked to the academy aims and where possible planned and approved well in advance in accordance with visits planning procedures. (See visit timescales)

The AAB will be informed of all visits but delegate approval of low risk and routine visits and occasional opportunities to the Principal and EVC (See delegated approval levels).

After Principal's approval all higher risk visits including adventurous activities, residential experience and foreign travel will be submitted for the AAB approval and SPTA approval

A named Educational Visits Coordinator (EVC) will be appointed

The EVC will identify and record with the minimum paperwork, qualifications, training, development, induction and apprenticeship arrangements for all visit leaders

The EVC will approve visit leadership, planning checklist, risk assessment, management and evaluation of all visits.

There will be a named visit leader (and where appropriate, deputy) on all visits. The visit leader will ensure sufficient staff and helpers of the right experience are checked (DBS if appropriate) and briefed throughout the visit.

The visit leader will ensure risk assessment and management including generic, site specific and ongoing are undertaken and recorded.

The visit leader will ensure Best Value principles are used when selecting providers, appropriate checks are made, insurance and financial support procedures are followed.

Visit leaders will ensure a named person, emergency procedures and systems for recording and sharing information on accidents and near misses are in place before briefing pupils and parents.

Visit leaders will, where possible, undertake exploratory visits or seek references from other academies if using new venues.

## PARENTS

Within the academy prospectus parents will be given details about Learning Outside the Classroom/Offsite Visits practice safety procedures etc.

Parents will be given sufficient written and other information about all visits to make informed decisions and give written consent, medical and contact details.

Where appropriate for high risk, residential and foreign visits meetings with parents will be arranged.

Expectations of behaviour and codes of conduct will be explained to parents. This will include the need to meet the cost and make arrangements for collecting children in certain circumstances.

## PUPILS

Pupils should be briefed about aims, expectations and codes of conduct for all visits. Ongoing briefings are an important part of learning and safety.

Where possible pupils should be involved with planning, developing codes of conduct, assessing/managing risk and evaluating their own attitude, behaviour, development and learning.

#### VISIT TIMESCALES

Visit form to be submitted at least six weeks in advance of the visit. Approval to be sought from SLT if less notice is possible.

#### DELEGATED LEVELS OF AUTHORISATION

Following consideration of all the information SPTA /AAB members or Principal will authorise formal approval.

#### CONCLUSION

Although part of health and safety policy, learning outside the classroom/offsite visits are an integral part of the curriculum plan and strategies for learning. It should be closely linked to equal opportunities, special needs, policies for inclusion and staff development.
